

Building on our Tradition of Excellence

Licensing and Preparation

Our program is fully licensed by the Ohio Department of Education (ODE), is a Five Star Step Up to Quality Program, and follows the Ohio Early Learning Content Standards for Preschool. Our relationship with our kindergarten classes ensures that your child will be educationally prepared for kindergarten and beyond.

Safe, Caring Environment

Our preschool center is located in a recently renovated house at the corner of Clough and Summit streets and has a fenced outdoor play area. Our environment provides child-centered, engaging, inquiry based experiences to develop the whole child in all areas of learning.
