

19-20 Lunch Order Process
PLEASE ORDER CAREFULLY.

1. Lunches are ordered monthly, and the portal is open from the 1st through the 15th of the previous month (except for August). For example, September's lunch order must be placed between August 1st and August 15th. Payment is expected when you order. (Exception: You are welcome to send in August and September payment the 1st week of school or at Supply Drop off on 8/18). Include your child's name, grade, & "August lunch payment" on the check or envelope. Also specify the amount per student if you are ordering for multiple children.
2. Ms. Kris McKenzie, "the lunch lady," has worked hard over the summer to provide more options this year. There will be 4 full lunch choices, that include sides and milk, juice, or water. She is not offering cheese and pepperoni pizza on the same day this year, which will alleviate confusion. You will find the menu and ordering to be much simpler this year, while still offering more choices.
3. For those new to ordering, please note, you must be logged in to OptionC.com, and have your [lunch menu](#) available to reference. The menu can be found on the website: stalschoolbg.org under the [Schoolgram](#) tab. It was also sent via email.
 - You will see generic choices (ie: "Entree #1 with beverage," which are listed below) in Option C for each day, but will have to reference the menu to see each day's specific choices. There is not enough room on the menu to include each extra entree, so know that in Option C, the extra entree follows the full lunch.
 - See the document, "How to Order Lunch with the Family Login- Daily View" for details on how to place an order in Option C.
4. Menu Choices:
 - **Entrees & Extra Entrees:** There are 4 entree choices that include sides and a beverage. Option C numbering coincides with the numbers on the menu. Directly following the full lunch in Option C is the option to order an extra entree ONLY, with no additional sides or beverage. Full lunches are \$3.50, and extra entrees are \$1.25.
 - Option C states: "1.1 Entree #1 with beverage (Entree)" for the lunch listed as #1 on the menu, and directly after that, is "1.2 Extra entree #1 (Side Dish)."
 - For example, on the 1st day of school, this choice would allow your child to have Pancakes, sausage, fruit, and beverage. If "1.2 Extra entree #1 (Side Dish)" was also chosen in Option C, your child would receive an extra pancake.
 - Option C states: "2.1 Entree #2 with beverage (Entree)" for the lunch listed as #2 on the menu, and directly after that, is "2.2 Extra Entree #2 (Side Dish)."
 - For the 1st day of school, this would allow your child to have chicken nuggets, tater tots, fruit, & beverage. If "2.2 Extra Entree #2 (Side Dish)" was also chosen, your child would receive a 2nd serving of nuggets.
 - This format continues for Entrees 3 and 4.
 - **Sides:**
 - It is listed as #5 on the menu, and states "5.1 Side (Side Dish)." The cost of the side is \$1.75, and it is NOT eligible for the free and reduced lunch program.
 - The 1st day of school, the side is fruit and yogurt parfait. No other sides or beverage are included.
 - **Chef salads and side salads:**
 - Salads are listed together on the menu to save space, but are separate in Option C. They do not include sides or a beverage.
 - SIDE salads are listed as, "6.1 Side Salad (Side Dish)," and are NOT eligible for the free and reduced lunch program.
 - Chef salads are listed as "6.2 Chef Salad (Side Dish)." Chef salad prices have decreased, and are now \$2.75.
 - **Beverages:**
 - A choice of 2% white milk, 1% chocolate milk, 100% juice, or water will be offered at the counter for \$0.50.
 - Beverages are listed as "7.1 Beverage (Beverage)" in Option C.
5. Don't hesitate to email schooloffice@stalschoolbg.org or call 419.352.8614 if you have questions or want to schedule a time for hands on training.
