Sale Procedures:
1. All donated items should be clean, in good repair, and conform to the St. Aloysius dress code.
2. Please safety pin an envelope to each item you are selling and write the price, size, and your name on the envelope (Return address labels work great)
3. You may drop off your items in Hartmann Hall on Thursday, August 15 from 4:00-7:00 p.m. No one will be in the building, but you may leave your items outside the school office.
4. The sale is run on the honor system. The cashier's duty is to collect envelopes. An important reminder, at sale time, please bring small bills ($1, $5 and change) to purchase items. The cashier will not have a cash box to break down larger bills.
5. If you take items to purchase outside of the sale times, you may promptly return the payment envelopes to the school office to distribute back to selling families.
6. All envelope profits will be held in the school office until August 29th. You may stop in to collect your money during school office hours up until that point. On August 29th, any money in the school office will be put in the appropriate family Thursday weekly envelope to be brought home by your child.
