From the Principal:

I mentioned in our August mailing that we were planning to fully implement our PBIS program this year. PBIS stands for Positive Behavioral Interventions and Supports and is designed to improve the social, emotional and academic outcomes for all students. If your child is coming home talking about “pride points” and buying things from the ROAR reward cart then you know we have their attention :) We will continue teaching our matrix of appropriate behaviors throughout the school and rewarding the children who demonstrate those positive behaviors. Ask your child what it means to ROAR (Respectful, On task, Accepting, Responsible) at St. Al’s!

God’s Blessings,

Andrea Puhl

From the Office:

- October lunch ordering is available now through September 15th. The instructions are on the website under the schoolgram tab
- Please send in your free and reduced lunch application if you have not already done so. To continue in the program, we need a new application each year, even if you qualified last year.
- Please send the back page of your handbook in with signatures. They were due earlier this week.
- If you would like to get involved with your child/children’s classroom(s), being a room parent is for you! If you enjoy playing games, eating snacks, and making crafts, you would be a perfect fit! You can complete the form included in this week’s Thursday envelope or email Erin Black at handbag.heaven@yahoo.com by September 20th.
- Mrs. Zera is looking for volunteers to help in the library. Grandparents are welcome too. Let us know if you need another form. Remember Virtus must be completed. Inquire at the office for instructions.

Info for New Families (& good reminders for the rest of us)

- The schools in the Diocese of Toledo take MAP (Measures of Academic Progress) tests in the fall and spring. We can also give them in the winter if we choose. These standardized tests are on the computer and help our teachers meet all students needs by seeing what they are ready to learn. After the spring tests, we will share their individual results and progress with you. Students in grades KR-8 will be completing these assessments in the tech lab next week. You can find next week’s schedule to the left.

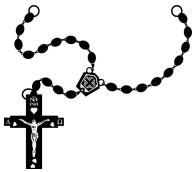

The Parent Association is once again working with Special Tee Ink to provide St Al's uniform clothing as well as spirit wear items. Visit www.specialteeink.com to order.
