

## Prayer Intentions:

The children we sponsor around the world through Unbound

## We Pray:

Father, the trees are ablaze with your glory, the seasons change, but you never do. You are always beautiful, in the green and freshness of spring as in the golds and reds and chills of autumn. Make me like you. Let my life reflect your beauty, season after season, as the calendar of my life turns. The trees are letting go of this year's foliage. Help me let go of both blessings and burdens, and surrender them both to your loving care. Amen.

## From the Principal:

The excitement is starting to build for Halloween, especially among our younger students. Walking through the halls, I often overhear conversations about costumes and pumpkins and all the fun things that go along with this time of year. I am sending a newsletter with today's schoolgram that was published by the National Catholic Education Association about making Halloween more meaningful to our children by teaching them the history and making the connections to All Saints Day and All Souls Day. It was helpful to me as a parent of school age children and I hope it will be helpful to you as well as we join our children in fall family fun.

*God's Blessings,*

## From the Office:

- Picture Retake day is tomorrow (Friday, October 18). Students who have returned their photo packets and those absent on picture day may be out of dress code tomorrow, wearing appropriate dress up clothing. Please no jeans, sweatpants, athletic wear, t-shirts, sleeveless shirts, low necklines or shirts with writing or large logos. Skirts/dresses must be appropriate length for school.
- As the weather turns colder, please be mindful of the forecast, and send in coats, hats, and gloves as needed.

## Info for New Families (& good reminders for the rest of us)

- We celebrate Halloween on October 31st which is a Thursday this year (2 weeks from today!). Please note that preschool will be celebrating the day before on Wednesday, October 30th. During the day students may wear Halloween themed shirts or Halloween colors with jeans. Each classroom schedules their own celebrations, but students may bring costumes to change into before our 2:45 all school parade. Please make sure the costumes do not include weapons, blood, guts or gore. If weather permits we will walk around the block, but if it's too cold or wet we will parade around the gym. All are welcome to join us for the parade so mark your calendars now :) If you are planning to volunteer in a classroom for a party, you must have completed the Virtus requirements. Please contact the school office for details on how to complete the online class and background check in time.
- There are days when Bowling Green City Schools are not in session, but St. Aloysius is. The first of these days this year is Friday, October 25th. They still provide busing for our students but they do an alternate bus route. It's organized by address north and south of Wooster St. We have not received the route yet, but I hope to by tomorrow. I will send the information as soon as I have it. If you are not on the list, and you turned in the yellow bus form, let us know and we will look into it.
