

### Prayer Intentions:

For the Leestma family. The mother in law of Mrs. Leestma (retired staff) passed away this week.

Mrs. Donna's (extended day and playground supervisor) grandson who broke his arm and may need surgery.

For those who are sick with Covid as well as for those who are high risk.

### We Pray:

Dear Father, please assist me every single morning to find faith in the middle of the chaos in the world. Please Lord give me the desire and ability to see You, hear You, talk to You, and give thanks to You. Also as I do this, I pray that I will draw nearer and nearer to You, and that my faith will increase infinitely as I understand in new and deeper ways that You are everything I ever hoped You would be. And so much more, in Jesus' Name. Amen.

### From the Principal:

I hope your children all enjoyed the long weekend. Our faculty was busy on Monday participating in an online professional development day offered by the Diocese of Toledo. Our morning presenter was Fr. Nathan Cromly, CSJ who spoke to us about the spirituality of leadership and inspired teachers in their leadership role. In the afternoon there were separate presentations for elementary and junior high teachers about blended learning. We continue to grow in our knowledge of best practices for online instruction in case we need to utilize it in the future, but also are looking at how those skills and programs can be developed and used in our classrooms now. This year is definitely calling us all to learn new ways to teach and minister to our youth! We've had a junior high teacher quarantining at home, but feeling great with no symptoms so she has been teaching her class remotely while a sub sits in their room with them. All of our teachers and students who have been tested have received negative results so please keep being diligent about social distancing and mask wearing because what we are doing is working so far, but we don't want to let down our guard. And of course, St. Aloysius, pray for us.

*God's Blessings,*

*Andrea Puhl*

## COVID-19 Travel Advisory:

The State of Ohio currently recommends quarantine for anyone returning to Ohio from the states listed below. Passing through one of these states qualifies for quarantine if there was interaction with individuals in that state. St. Aloysius is requiring that any student that fits this criteria quarantine for 14 days upon return. The list of states will be updated every week on Wednesday and we will include them in our weekly schoolgram to build awareness as we move toward the holiday travel season. Based on a 7-day rolling average of positivity rates of October 7th, the affected states are: SD 23.6%, ID 23.5%, WI 21.1%, IA 18.8%, WY 16.7%, KS 16.6%, NV 15.7%, and IN 15.6%
