St. Aloysius Catholic Elementary & Jr. High School — A Tradition of Excellence

Prayer Intentions:

For those sick with covid and for those who are vulnerable and/or isolated.

We Pray:

Prayer of St. Dominic

May God the Father who made us bless us. May God the Son send his healing among us. May God the Holy Spirit move within us and give us eyes to see with, ears to hear with, and hands that your work might be done. May we walk and preach the word of God to all. May the angel of peace watch over us and lead us at last by God's grace to the Kingdom.

Calendar:

4/30
- 1BookBG: Dress up for your future career

5/2
- 8th gr. Confirmation Mass #2: 3:00 pm at St. Aloysius

From the Principal:

Have I mentioned recently how proud I am of our students and their perseverance this year? They have worked so hard and grown in so many ways. Third quarter grade cards are coming home today and our students are currently participating in MAP testing during their technology classes. You may recall that they took these tests in the fall and our faculty used those results to help us make sure we were meeting the needs of our students as we returned to in person learning. We retested some classes this winter. This spring we are looking at the growth they have shown academically and using the data to plan for the fall. These standardized tests are only a snapshot of what our students are capable of, but along with our classroom assessments and observations they give us some important insights. You will receive a copy of your child's test scores with their year end grade card. Our hope is that those two items together will help you see and celebrate your child's strengths while knowing that we are aware of and able to address any areas needing improvement. I am happy to share that we are receiving a substantial grant from the government that will allow us to expand our intervention team (among other initiatives) for the next two years. An additional tutor will help us to provide more assistance or additional enrichment to those who need it.

God's Blessings,
Andrea Puhl

From the Office:

- **May lunch payments:** If your child was quarantined this year, please wait to pay for May lunches as we go through the accounts and check for credits.
- **March lunch bills** were sent home today.
- **May lunch orders** can be placed through midnight tonight.
