

Prayer Intentions:

For the Brown family who are friends of the of the Fawcett family

For Mrs. Dever's family

We Pray:

As we celebrate the feast of St. Isidore this weekend:

St. Isidore, patron saint of farmers, we come to you now asking your intercession on behalf of all whose livelihood is based in farming. We ask you to pray that their crops have sufficient water and minerals to grow to fruition and that they are abundant at harvest. Please pray that their crops are protected and that God will bless their labors so that they may reap the rewards of work well done here on Earth and in Heaven. Amen.

From the Principal:

As we plan for the last day of school for grades 1-7 on June 4, we have decided to celebrate with an island theme. If you think about it, we have asked the students to stay on their own little "islands" this year with social distancing so it seems appropriate :) We will provide artificial Hawaiian leis and a treat for each of the students and are working on some other plans trying to balance fun and safety. All the students will be encouraged to wear island theme clothing or bright colors and we hope to picnic outside for lunch if the weather cooperates so they'll need a beach towel. More details will be provided when we get closer to the date, but I wanted to share the theme now as I am open to your suggestions on how to safely celebrate :)

*God's Blessings,
Andrea Puhl*

From the Office:

- **Water bottles:** Thank you so much to those who have donated cases of water. I'm sure we will continue to go through it as the weather gets warmer and classes spend more time outside. We will continue to take donations.
- **Yearbooks:** a limited number of yearbooks are available in the office. Send \$15 in an envelope marked with your child's name, grade, and "yearbook." The deadline is TOMORROW May 14, 2021.
- **21-22 school supply kits** will be available very soon, so keep an eye out for more information.
- **School Mass** can be viewed online on Thursdays at 2:10 pm. May 13: <https://venue.streamspot.com/event/MjYzNTU3MQ>

Dear St. Aloysius Parishioners:

Greetings from Bulawayo (Zimbabwe, Africa). The drilling of the borehole was done on Friday 7 May 2021. It was very successful. The installation of solar panels and submissive pump will follow in due course. People are very happy about this development. I appreciate all your efforts. I hope one day I will visit you and thank the benefactors in person. I will keep you posted about the installation of solar panels and pump.

Thanks. Take care. Dumani

(Bulawayo is a city in southwest Zimbabwe. It's a gateway to Matobo National Park, home to the Matobo Hills rock formations and Stone Age cave art. Park wildlife includes rhinos and black eagles. Nearby, Tshabalala Game Sanctuary has zebra and impala. West of Bulawayo, the ruins of 15th-century Khami city comprise stone walls and terraces. Bulawayo's Natural History Museum of Zimbabwe displays finds from the site.)
